About MasterCap

Since 1997, MasterCap has been a professional headwear manufacturer in China. We offer a wide range of quality caps, hats and knit beanies for the streetwear, active sports, golf and outdoor markets.

We not only focus on quality products, but also on excellent service. With our professional expertise and experience, we are confident we can be your reliable supplier.

Please contact us today – your factory visit will be warmly welcomed!

Why Choose US ?

Low MOQ

Flexible and small MOQ.

Full Custom

Full custom services for your brand via OEM&ODM.

High Quality

A strict QC procedure is implemented in all production processes from materials to finished products.

Audited Factory

Support major brands' factory audits; BSCI-certified.

Prompt Response

Professional, patient, and focused, we respond and take action within 8 working hours.

Professional

Our expert team guarantees smooth processes; from development to shipment.

Powerful R&D

500+ new styles are created every month to meet market demands. Popular market shapes and fits are available.

Door to Door Service

DDP and DDU negotiable.

How to Order

Step 1 : Submit logo artwork & info

Browse our various styles of caps on our website, select the one that suits your preferences, and submit your logo artwork along with details such as fabric, color, size, etc.

Step 2 : Confirm details

Our professional team will submit digital mockups to you along with recommendations, ensuring the design is exactly what you want.

Step 3 : Pricing

Once the design is finalized, we will calculate the costs and provide a quotation for your final approval.

Step 4 : Sample Order

Once the price and sample fee are approved, the sample will be produced and sent to you for approval upon completion. The sampling lead time is normally 2-3 weeks. Your sample fee will be refunded if your order of the sampled style reaches or exceeds 300 pieces.

Step 5 : Production Order

Once you decide to proceed with a bulk production order, we will issue a proforma invoice for you to arrange payment of a 30% deposit. Production lead time is normally 6 to 7 weeks, depending on the complexity of your design and our current production schedule.

Step 6 : Let us handle the rest !

Sit back and relax while our team closely monitors every step of your order's production process to ensure you receive exactly what you ordered.

Step 7 : Shipping

Our team will contact you a few days before your goods are due for completion to confirm your delivery details and present shipping options. Once your order passes final inspection by our quality control team, your goods will be shipped immediately, and we'll keep you informed on the shipping status.
